Experts Profile

Dr. Lakshmi Jagannathan, CEO, IIIT B Innovation Center, Bangalore

Dr. Lakshmi Jagannathan is a seasoned professional with over a decade of experience in the not-for-profit sector, specializing in technology-driven initiatives that create scalable societal impact. She believes in the transformative power of technology for the underserved, particularly at the bottom of the pyramid. As the key architect of DERBI Foundation, she successfully raised over INR 30 Cr to build a sustainable incubation ecosystem. A dedicated startup evangelist and angel investor, Dr. Jagannathan is actively engaged in fostering innovation and entrepreneurship. Her notable roles include Chair of the Startup Committee at the Bangalore Chamber of Commerce, Governing Body Member of ISBA, and TiE Bangalore Charter Member, reflecting her commitment to the growth of the startup ecosystem.

Mr. Chandran Krishnan, Managing Director, Campus Angels Network

Chandran Krishnan is the Managing Director of Campus Angels Network, fostering startups emerging from university incubators. He is also the Principal Advisor at SSN Incubation Foundation and serves on the board of IIM Calcutta Innovation Park. With nearly 40 years of experience across automotive, aerospace, financial services, and startups, Chandran has held leadership roles in prestigious companies such as HCL Technologies, CK Birla Group, and Reliance Life Insurance. He holds a Mechanical Engineering degree from IIT Madras and an MBA from IIM Calcutta. His contributions to the startup ecosystem extend to TiE Chennai and advisory roles with various incubation and innovation councils across India.

Vaikunt Prasad, Program Head @ NSRCEL IIM Bangalore

Vaikunt Prasad leads the Ecosystem Capacity Building vertical at NSRCEL, IIM Bangalore, focusing on empowering early-stage incubators to support startups across diverse sectors. With over a decade of global consulting experience, he has worked extensively with NGOs, social enterprises, and development institutions in the APAC region and Europe. Vaikunt's expertise spans Program Design, Entrepreneurial Learning, and Business Growth, driving impactful initiatives in healthcare, education, finance, livelihoods, and climate change. His career is marked by a commitment to creating sustainable social and environmental change through innovation. Vaikunt's passion for fostering collaboration and innovation makes him a key figure in building thriving entrepreneurial ecosystems.

Sonali Jha, Founder and CEO of Cunomial

Sonali Jha, Founder and CEO of Cunomial Technologies, brings a wealth of experience in technology and business leadership, with a Master's in Computer Science from New York University. At Cunomial, she spearheads the company's global growth, driving customer-focused innovation and adaptability. With past roles at Goldman Sachs, Cold Spring Harbor Laboratory, and The New York Times, Sonali is recognized for developing cutting-edge, cloud-native digital solutions. Her leadership has been acknowledged by major organizations like MeitY, NASSCOM, UN Women, Microsoft, and Google. In 2024, she was selected for a roundtable with Microsoft CEO Satya Nadella and earned a Guinness World Record with Women in Cloud, highlighting her role as an influential leader in tech.

Saurabh Chaubey, CEO @ iHub Anubhuti-IIITD Foundation

Saurabh Chaubey, CEO of iHub Anubhuti, leads a Government of India initiative focused on Cognitive Computing and Social Sensing. With vast experience in technology and entrepreneurship, Saurabh has overseen cutting-edge projects in AI, ML, and Human-Computer Interaction. He previously headed incubators at IIT Mandi and AIC-Great Lakes in Chennai, driving innovation through startups and research. His earlier work with the Government of Chhattisgarh and 36INC fostered entrepreneurship across the state. As an edupreneur, Saurabh developed Catalyst Edutech, a hybrid learning platform that trained over 800 students. His efforts in the startup ecosystem were recognized by Business World's 40 under 40 award for his contributions to incubation.
